Seraph of the End: Vampire Reign is a Japanese dark fantasy anime series based on the manga series of the same name by Takaya Kagami. The anime is produced by Wit Studio and directed by Daisuke Tokudo. The story follows a group of human orphans who are turned into vampires and must fight against the vampires who killed their families.

The series begins in 2012, when a mysterious virus kills off most of the world's population. The remaining humans are enslaved by vampires, who use them as a food source. A group of orphans from the Hyakuya Orphanage are taken by the vampires and turned into vampires themselves. The orphans are then forced to fight against the vampires who killed their families.

The main character of the series is Yuuichiro Hyakuya, a vampire who is determined to avenge the deaths of his family. Yuuichiro is joined by a group of other orphans, including Mikaela Hyakuya, Yoichi Saotome, Shinoa Hiragi, and Mitsuba Sangū.

Together, the orphans fight against the vampires and their leader, Ferid Bathory. Ferid is a powerful vampire who is responsible for the deaths of the orphans' families. The orphans must overcome their own personal demons and work together to defeat Ferid and his army of vampires.

Seraph of the End: Vampire Reign is a dark and violent anime series, but it also has a strong message of hope and redemption. The series shows how even in the darkest of times, people can find the strength to fight back against their oppressors.
