The Thomas Fleming Library

The Thomas Fleming Library is a collection of stories about the American Revolution. The library was founded in 1976 by Thomas Fleming, a historian and author who wrote extensively about the Revolution. The library is now housed at the American Philosophical Society in Philadelphia.

The library contains over 1,000 stories about the Revolution, written by a variety of authors. The stories are divided into six volumes, each of which covers a different aspect of the war. The first volume, "The Outbreak of War," covers the events leading up to the American Revolution. The second volume, "The War in the North," covers the major battles of the war in the northern colonies. The third volume, "The War in the South," covers the fighting in the southern colonies. The fourth volume, "The Home Front,"

tells the story of the people who lived through the Revolution on the home front. The fifth volume, "The Aftermath of War," covers the events that followed the end of the Revolution. The sixth volume, "The Legacy of the Revolution," examines the impact of the Revolution on American history and society.

The stories in the library are a valuable resource for anyone who wants to learn more about the American Revolution. The stories offer a wide range of perspectives on the war, and they provide a vivid picture of the people who lived through it.

Here are some of the stories that are included in the library:

- "The Shot Heard Round the World" by Nathaniel Hawthorne
- "The Battle of Bunker Hill" by Henry Wadsworth Longfellow
- "The Crossing of the Delaware" by George Washington
- "The Battle of Saratoga" by Benedict Arnold
- "The Battle of Yorktown" by George Washington
- "The Declaration of Independence" by Thomas Jefferson
- "The Constitution of the United States" by James Madison
- "The Bill of Rights" by James Madison

The library is a valuable resource for anyone who wants to learn more about this important period in American history. The library is a treasure-trove of stories that bring the Revolution to life.
